Arizona
Lymphoma Workshop

Free Education Program on
Understanding Lymphoma Basics
and Current Treatment Options

Saturday, February 18, 2017
7:30 AM – 2:45 PM

Scottsdale Resort and Conference Center
7700 East McCormick Parkway
Scottsdale, AZ 85258-3497

Program Chair:
Daniel Persky, MD
Associate Professor of Medicine
Department of Medicine
The University of Arizona Cancer Center

The Lymphoma Research Foundation's Lymphoma Workshop provides the latest information about lymphoma and CLL, current treatment options and support topics to the lymphoma community across the United States.

The Arizona Lymphoma Workshop is the premier education and networking forum in the region.

Reasons to Attend

- Learn about your specific type of lymphoma, treatment options, clinical trials and novel concepts during the comprehensive disease-specific breakout sessions.
- Hear a variety of presentations and have your specific questions answered from our expert speaking faculty comprised of lymphoma specialists and patient support experts.
- Meet other people with your same type of lymphoma during breakfast, lunch and breakout sessions.

Additional Information

This program is free for the lymphoma community, however, registration is required. Breakfast, lunch and refreshments will be provided for all registered attendees. For additional information, please call (800) 500-9976 or email helpline@lymphoma.org.

Team LRF pairs volunteers' passion for planning or participating in fundraising events with their dedication for raising awareness and finding a cure for lymphoma. Anyone can plan a fundraising event to support the Lymphoma Research Foundation (LRF). Whether you want to plan a neighborhood car wash or run a marathon, LRF will provide the tools, materials and support to help you with your efforts.

Visit lymphoma.org/teamlrf to get started!
