

JamesCare for Life Presents

**Ask the Expert:
Nutrition & Chronic Lymphocytic Leukemia**

Monday, Apr. 24

6 – 7:30 p.m.

Ground Level, Room B050

The James Cancer Hospital and Solove Research Institute

460 W. 10th Avenue

Nutrition plays an important role throughout your CLL journey. Join us for an interactive discussion and learn more about optimal nutrition during cancer treatment and beyond. Program will be led by a James clinical dietitian.

Pre-registration is required. Visit <https://nutritionandcll.eventbrite.com> to register or for more information, please call *JamesCare for Life* at **614-293-6428**.

*This program will be available online via live stream. Please email *JamesCare for Life* at jamescareforlife@osumc.edu for viewing instructions.*

Free-of-charge to cancer survivors and their caregivers.

The James
