Ask the Expert
Clinical Trials in CLL: Overview and Opportunities

Monday, April 23, 2018

6 – 7:30 p.m.

Wasterstrom Family Conference Room – L035

The James Cancer Hospital and Solove Research Institute

460 W. 10th Ave.

Join Kerry Rogers, MD, Chronic Lymphocytic Leukemia specialist, to learn about clinical trials for CLL including types of clinical trials, practical information about what participating in a trial may mean, and how to decide if a clinical trial is right for you.

This program will also be available online via live stream.

Whether you are attending in person or viewing online via stream, please register at cancer.osu.edu/JCFL. Registration for this program will open on March 1st.

This program is offered free of charge to adult cancer survivors and caregivers.

For more information, please email jamescareforlife@osumc.edu or call JamesCare for Life at 614-293-6428.
