

***Join us for an exciting new program taking you through all phases of the CLL journey: from diagnosis through treatment and beyond into survivorship.***

**Location:** Marriott Minneapolis Airport  
2020 American Blvd. East  
Bloomington, MN 55425

**Speakers:** **Veronika Bachanova, MD, PhD**  
Associate Professor of Medicine, Hematology  
University of Minnesota  
**William Robiner, PhD, ABPP, LP**  
Director of Health Psychology  
University of Minnesota

**Date/Time:** Thursday, May 31, 2018, 6:00-9:00pm

## Program Description

This program is designed to provide attendees with essential information that will help you participate more actively and confidently in decisions about CLL treatment and survivorship.

CLL patients, caregivers, family and friends in attendance will gain a better understanding of:

- CLL treatment, including standard care and clinical trials
- Strategies to make informed decisions about treatment
- Tips for communicating with your health care team
- Strategies to manage disease and treatment side effects
- Strategies for managing ongoing cancer survivorship issues, including financial and employment challenges, as well as psychosocial issues
- Resources available in your local community, at cancer centers, and those provided by LLS

***The program is free. Registration is required. PLEASE REGISTER BY Monday, May 28.***
