Financial Assistance Part 2 — Industry Sponsored

Financial support programs to help pay for drugs from pharmaceutical companies are constantly changing. The following was taken from their web sites. It is important to refer back to the sources for the most up to date information. Keep in mind that many of these funds are means tested. Funds may be unavailable to patients enrolled in Medicare or Medicaid.

Amgen

(888) 762-6436

Website: www.safetynetfoundation.com

Amgen Assist offers information on ways to help pay out-of-pocket expenses, either through Amgen-supported programs or independent nonprofit co-pay foundations. Amgen also offers product payment assistance to uninsured patients.

Celgene

(800) 931-8691

Website: www.celgenepatientsupport.com

The Celgene Patient Support Coordinator (PSC) Program helps patients and healthcare providers navigate the challenges of reimbursement, provide information about co-pay assistance, and answer general questions about Celgene products and their distribution.

Centocor Ortho Biotech Inc.

(800) 553-3851

Website: www.procritline.com

The Procrit Line provides access to reimbursement information and support–patient assistance program to patients without insurance coverage (based on financial need); access to insurance guidelines for private, federal, and state plans; verification of insurance coverage; and, coding and billing assistance.

Genentech BioOncology

(866) 4 ACCESS (422-2377)

Website: www.genentechaccesssolutions.com

Genentech Access Solutions provides one-stop access to a broad array of reimbursement information, and support and services for patients so that they can focus on treatment.

Gilead

Zydelig® AccessConnect™

(844) 622-2377, 8 a.m. to 8 p.m. ET

Gilead is committed to ensuring that patients with CLL, FL and SLL can access Zydelig® and has launched Zydelig AccessConnect™ to provide assistance to appropriate patients who are uninsured, underinsured or who need financial assistance to pay for the medicine.

Johnson & Johnson

(800) 652-6227, 9:00 a.m. to 6:00 p.m. ET

Website: www.jjpaf.org

Johnson & Johnson Patient Assistance Foundation, Inc. (JJPAF) is committed to providing access to medicines for uninsured individuals who lack the financial resources to pay for them.

Novartis Oncology

(800) 282-7630 Reimbursement Hotline

(866) 884-5906 Patient Assistance Programs

Website: www.novartisoncology.us/

Novartis provides a variety of resources, including the Novartis Oncology Patient Assistance Program and the Novartis Oncology Reimbursement Hotline.

Pharmacyclics

YOU&I Support

(877) 877-3536, Monday-Friday, 8 a.m. to 8 p.m. ET

Website: www.youandisupport.com

You&I Instant Savings Program

If you are eligible and have commercial health insurance, you pay no more than \$10 per month for IMBRUVICA®.

Access Support

Offers one-on-one support to help you learn about access to IMBRUVICA® by:

- Helping you understand your insurance coverage
- Coordinating timely IMBRUVICA® delivery

TEVA Pharmaceuticals

(877) 237-4881, Monday-Friday, 9:00 a.m. to 8:00 p.m. ET

The Teva Cares Foundation Patient Assistance Programs provide certain Teva medications at no cost to patients in the United States who meet certain insurance and income criteria. Eligibility is based on a patient's income and prescription insurance status. If you do not meet the eligibility requirements for the Teva Cares Foundation Patient Assistance Programs, Teva may offer a reimbursement assistance program or other type of program to assist you.

Verastem Oncology

Verastem Cares

(833) 570-2273, Monday-Friday, 8:00 a.m. to 8:00 p.m. ET

Website: www.copiktra.com/ctl/financial-resources/

WHO IS COPIKTRA FOR? COPIKTRA is a prescription medicine used to treat adults with Chronic Lymphocytic Leukemia (CLL) or Small Lymphocytic Lymphoma (SLL) who have received at least 2 prior therapies and they did not work or are no longer working.
